*Your Pet's Resort on the Eastern Shore of Virginia*

## Seaside Pet Resort offers:

- ✂ A cagefree boarding alternative that provides individual rooms in a safe and secure environment specifically designed for your pet's comfort and your peace of mind.
- ✂ Appointment only access with drop-off and pick-up times to fit your schedule.
- ✂ 24 hour personal care for your family pet with intercom monitoring system.
- ✂ Your dog will receive individual attention and, if you wish, supervised socialization periods with other dogs in our secure fenced yards or in our indoor playroom.
- ✂ We are a state-of-the-art indoor boarding facility featuring: ramp access, radiant floor heat, central air conditioning, backup generator, laundry facilities, security system by Absolute Security Group, Inc., and we are a Honeywell Certified Clean Air Facility.
- ✂ We are caring pet professionals who will care for your family pet like they are our very own.
  - ✂ We also offer Doggy Day Care and In-home Pet Sitting services.
